Attorney Positions

HB 2571 requires that all employees who are employed as an attorney in a position assigned to the attorney salary schedule become at-will uncovered beginning September 29, 2012.

Objective: To identify the covered employees appointed to an attorney position in the attorney salary schedule.

Attached for your information is a list of covered employees in your agency who have been identified to be employed as an attorney in a position assigned to the attorney salary schedule.

Action Item: No further review or action on the part of the agency is necessary in regards to this list.
