

**STATE OF ARIZONA HUMAN RESOURCES
STATEWIDE POLICIES AND PROCEDURES**

Policy Number: ASPS/HRD-PA1.02	Issued: August 9, 2013
Subject: Records – HRIS Date Fields	Effective: August 8, 2013
Policy Section: General	Revised: May 12, 2016
Policy Owner: ADOA Human Resources Division	

This policy does not create a contract for employment between any employee and the State. Nothing in this policy changes the fact that all uncovered employees of the State Personnel System (SPS) are at will employees and serve at the pleasure of the appointing authority.

Scope:

All State government entities* utilizing the Human Resources Information Solution (HRIS) for human resources and/or payroll purposes.

*For the purposes of this policy, a "State government entity" includes both SPS and non-SPS entities, including, but not limited to: agencies, authorities, boards, commissions, councils, departments and offices of this state; the legislature and legislative agencies; Arizona state schools for the deaf and the blind; the Board of Regents and the state universities; and, all departments and agencies of the state supreme court and the court of appeals.

Authority:

A.R.S. § 41-703, Duties of director
A.A.C. R2-5A-105, Records
A.A.C. R2-5A-B602, Annual Leave

Definitions*:

"Break in service" means a separation from state employment, regardless of the reason for separation. A.R.S. § 41-741(3).

*Definitions of HRIS date fields are provided in Table 1.

Policy:

It is the policy of the State of Arizona that all State entities using HRIS for personnel and/or payroll purposes enter employee dates in HRIS in a consistent manner.

An agency's Human Resources Office is responsible for ensuring the accuracy of agency employee records. The agency must ensure that HRIS date fields are populated and updated accurately and as necessary.

In Table 1, dates identified with an asterisk (*) have been identified as critical dates in an employee's record. All State entities utilizing the Human Resources Information Solution (HRIS) for personnel and/or payroll must, at a minimum, enter and use these critical dates as outlined in this policy and in the table.

Abbreviations:

- ACA – the federal Affordable Care Act
- ACR – Alternate Contribution Rate
- ADC – Arizona Department of Corrections
- ASRS – Arizona State Retirement System
- LWOP – Leave Without Pay
- RASL – Retiree Accumulated Sick Leave

Note(s):

- Any service as a non-compensated board or commission member or unpaid intern is not included in any adjusted hire date calculations
- Retirement is based upon contribution history, not by a correction to a date in HRIS – further, changes to dates do not correct deductions or benefits

Clarifications and Exceptions:

Original State Hire Date

The Original State Hire Date is the employee's first day of work in any State government entity (including non-SPS agencies and State government entities that do not use HRIS). This date never changes, regardless of any breaks in service, leave without pay, or transfers between personnel systems.

Hire Date

Except as noted below, the Hire Date is the employee's first day of work upon hire or, if the employee has a break in service, rehire, whichever is later. This date is used for employment verifications. In SPS agencies, this date is used to determine the employee's appropriate SPS annual leave plan.

**** Exception - employees transferring from non-HRIS to HRIS State government entities:** When an employee transfers from a State government entity that does not use HRIS to one that does use HRIS, the Hire Date in HRIS is the employee's first day of work for the State government entity that uses HRIS even if there was no break in service. See Exhibit A; example (2)(b).

See Exhibit B for list of SPS agencies, non-SPS agencies, and agencies not using HRIS.

Adjusted Hire Date

The Adjusted Hire Date is the employee's Hire Date, which has been recalculated due to:

- Additions to credited service if the employee previously worked for the State and returned to state employment within two years of separation
- Deductions from credited service for Leave Without Pay (LWOP) in excess of 240 consecutive hours (unless the LWOP is due to FMLA leave or military leave)
- Deductions for any service not eligible for compensation – for example, non-compensated board members, unpaid interns, volunteers, etc.

The Adjusted Hire Date calculations shall not include any service before a break in service of more than two years.

The Adjusted Hire Date Calculator may be used to determine the employee's adjusted hire date. The calculator uses key dates (Separation Date or Last Date Paid, Original State Hire Date or Most Recent Adjusted Hire Date, and Rehire Date or Return to Work Date), which are entered into an Excel spreadsheet, to calculate the employee's new adjusted hire date. The calculator is located at: <http://dev-az-azdoa-hr.pantheonsite.io/HRIS-TOOLS>

ASPS Statewide Policies and Procedures

Subject: Records - HRIS Date Fields

Status Term Date

Upon hire or promotion into a covered position, or placement into a special assignment, the agency must enter the appropriate Status Term Date, which is the last day of the applicable action. Once the employee has completed their original probation, promotional probation or special assignment, the agency must remove the Status Term Date. If the probationary period is extended, the agency must modify the Status Term Date to reflect the last day of the extension.

Termination Date

Upon separation from State employment, the Termination Date is updated to reflect the employee's last day of employment. Except as noted below, this date is populated only when the employee is separating; if the employee is transferring within an agency or between State agencies without a break in service, the Termination Date should be left blank.

** Exception - employees transferring from HRIS to non-HRIS State government entities: When an employee ends employment with a State government entity that uses HRIS and transfers to one that does not use HRIS, the Termination Date in HRIS is the employee's last day of employment for the State government entity that uses HRIS even if there will be no break in service. See Exhibit A; example (2)(k).

See Exhibit B for list of SPS agencies, non-SPS agencies, and agencies not using HRIS.

EXHIBIT A – EXAMPLES

Two examples are provided for illustrative purposes, with a primary focus on the four dates identified as critical dates, although other dates may be affected. In the first example, all State employment is with State Personnel System (SPS) agencies. The second example includes State employment with both SPS and non-SPS agencies (e.g., Arizona State University, the Arizona Department of Public Safety and Northern Arizona University).
