Log In

As a supervisor, you're provided with your own user group administrator account. Your "user group" is a grouping of your direct reports in a single location in the LMS.

To Log In, use the following information:

Username: Your EIN followed by an 'S' (without the apostrophes)

Password: Your temporary password is: NewUser1 (case sensitive)

Click the Log In box.

Users Tab

On the right is the Admin Navigation and Control Center location.

Across the top of the screen are:

- **UG Admin Help:**
Select this option to go to the TraCorp Help location.
- **Help Guides:**
Access to Supervisor's and User Group Administrator's guides.
- **Preferences:**
Select this option to view information about yourself. Some data is editable; grayed out data is frozen and cannot be edited.
- **My Student:**
Select this option to go to your student account. This will allow you to launch on-line courses and register for classroom courses as a student rather than as a supervisor.
- **Log Out:**
Select this option to leave the LMS.

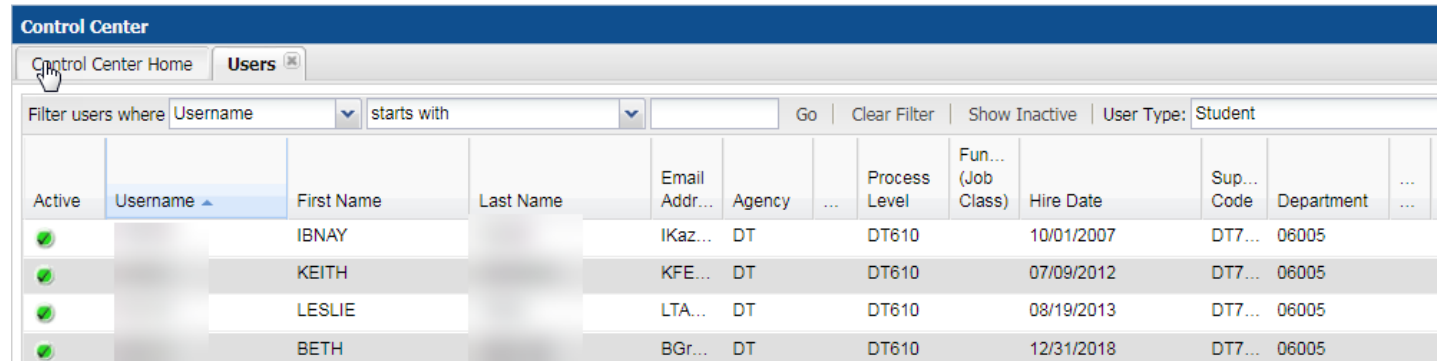

Direct Reports

When you select the Users tab from the Admin Navigation bar, a list of your direct reports will appear on the right side of the screen in the Control Center.

- Active employees are shown with a green dot with a check mark (see the graphic on the right). Inactive employees will be red.
- **Note: DO NOT** click on the green icon. Doing so will inactivate the user's student profile. To reactive the profile, contact your agency User Group Administrator. Click for UGA contact list - [UGA Contact List](#).
- The Username is the employee EIN.
- To View an employee, place your mouse pointer on the employee and double click.

This will bring up the Edit User box for this employee.

The screenshot shows the 'Control Center' interface with the 'Users' tab selected. A filter bar at the top allows filtering by 'Username' (starts with) and 'User Type' (Student). Below the filter is a table of users with columns for Active status, Username, First Name, Last Name, Email Address, Agency, Process Level, Function (Job Class), Hire Date, Supervisor Code, and Department. Four active users are listed: IBNAY, KEITH, LESLIE, and BETH, each with a green checkmark icon in the Active column.

Reports Buttons

When you select the Reports Button, it will bring up the Reports listing as shown on the right side of this page. Your reporting is restricted to the following options:

- You can only report on a single direct report or all your direct reports.
- Use the link below for additional information on creating reports:

http://www.alc.az.gov/cbt/TraCorpLMS_Documents/Reports122016.pdf

The screenshot shows the 'Control Center' interface. On the left is the 'Admin Navigation' menu with options: Users, Learning Tracks, Reports, and Help. The 'Reports' option is selected. The main content area is titled 'Control Center' and has tabs for 'Control Center Home', 'Users', and 'Reports'. Below the tabs, it says 'Select a report from the list below.' and includes a note: 'Note: student records are current up to the previous day only'. A list of report options is shown, each with a button and a description:

Report Option	Description
